What matters to you

We have listened to you and the concerns you raised and will prioritise the following from April 2025.

Priority 1: Significant rise in Drug Dealing and Drug Use. **What we are going to do:** High Visibility patrols around key locations to gather intelligence and information needed to identify drug dealers and users. Our aim is to seek out those involved in the supply of drugs to disrupt them and close down supply lines.

Priority 2: Burglaries around the A6 Villages. **What we are going to do:** Following proactive high visibility patrols around targeted areas, we have seen a significant reduction of burglaries recently. We also provide things such as window alarms and light switch timers should you need them, which we supply at any beat surgeries we hold.

Priority 3: Anti-Social Behaviour. **What we are going to do:** We have seen a recent rise of anti social behaviour at Mill Lane, Sileby Memorial park and the Poppyfields estate. The team are working closely with partner agencies to tackle this issue. We are also conducting high visibility patrols daily, and we have asked partner beats to help conduct patrols when we are not on shift.

News

This month

This month, we sadly say goodbye to PCSO Will Manship, who has been with us in Sileby for a little over a year. Will has thoroughly enjoyed his time with the team, and on the beat with all of you! Will is now moving onto pastures new to join as a PC, we all wish him the best of luck! PCSO Charlie recently joined the beat a few months ago, and will be taking over from Will. If you see her out and about, don't hesitate to say hello!

Beat Engagements
