

# New Flood Warnings – Syston, Sileby and Rearsby

- Members of your community can now register for the Environment Agency's free Flood Warning Service.
- Flood warnings notify you via phone, text or email when we expect property to flood from a river within your community.
- Flood warnings support you in taking action, such as monitoring river gauges on gov.uk or installing property flood resilience measures.
- To sign up to the Flood Warning Service, scan the below QR code, visit [gov.uk/sign-up-to-flood-warnings](https://gov.uk/sign-up-to-flood-warnings), or call Floodline on 0345 988 1188.

Sign up for flood warnings by scanning this QR code or visiting [gov.uk/sign-up-for-flood-warnings](https://gov.uk/sign-up-for-flood-warnings)

An illustration of a village with several houses and a tree, situated behind a stone wall. A large blue wave is crashing over the wall, and a yellow excavator is visible on the left side of the scene.
